

6-2-1944

12-500 G.P.'s

No. 10 BOULOGNE, FRANCE 24,000'

P.F.F. MISSION. EQUIPMENT WENT OUT, SO WE BROUGHT OUR BOMBS BACK. FLEW #4 IN THE LEAD GROUP. RAN INTO LIGHT FLAK, BUT IT DIDN'T BOTHER US.

THIS IS THE FIRST SHORT MISSION WE'VE HAD. EVERYONE VERY HAPPY ABOUT IT.

LOOK LIKE THEY ARE SOFTENING UP THE COAST TO GET READY FOR THE INVASION.

TOTAL FLYING TIME, 4:30 HOURS. WANT MORE LIKE IT.
